## **1. Safety instructions**

- **Risk of damage!**

If you open the packaging carelessly with a sharp knife or other pointed objects, the folding table can be quickly damaged.

Therefore, be very careful when opening.

- Check whether the delivery is complete.
- Remove the folding table from the packaging and check whether the folding table or the individual parts are damaged. If this is the case, do not use the folding table. Contact the manufacturer.

- Please read the following instructions carefully before using the article.
- Please keep these operating instructions.
- Keep children and animals away when opening/closing the folding table.
- The folding table is suitable for use in the garden and living area.
- No liability is assumed for damage caused by improper use or non-observance of these safety instructions.
- The table may only be mounted by adults.
- Never leave a child unattended near the table.
- Please note that this product is intended for private use only.
- Only place the table on flat surfaces and use it only as intended for the intended application area. The table is not suitable as a "seat", "Step ladder" or "standing surface". Do not climb or jump on the table. In case of improper use there is a risk of breakage of the table top and therefore risk of injury.
- Keep all packaging out of the reach of children in order to avoid choking hazards.
- Before use, make sure that all metal locking rings are engaged.
- Do not place high temperature objects directly on the table.
- All components must be kept away from open fire.
- Do not grind the folding table with abrasive objects or products.
- Do not burn the folding table.
- Before use, make sure that the table has a stable stand and stability.

## 2.Assembly

- Remove the folding table from the packaging. This is delivered folded, so please place it with the table top downwards on a clean and soft surface (e.g. a rug and/or carpet), which avoids scratches on the table top. Please expand the table (see pictures).

- Then pull the table legs vertically up to the stop.

- Turn the table now. Make sure that the table is on a solid base.
